MacEachern*

Featured Speaker: Diane MacEachern

*best-selling author • green entrepreneur • environmental activist
founder, www.TheWorldWomenWant.com*

Sample Topics:

- Use your consumer clout to make polluters clean up their act
- Help your campus save energy and reduce global warming
- Avoid toxic ingredients in your personal care products and stay healthy
- Prevent "nature deficit disorder" - put one "green hour" on your student schedule every week

**Especially for Women: "Purse Power:
Get the World You Want by Making Your Money Matter"**

As Seen In ...

*Live with Regis and Kathie Lee • CNN • NBC Earth Day Special
Air America Radio • Reader's Digest • First for Women • Washington Post
Detroit Free Press • Good Housekeeping... and more!*

Rave Reviews ...

U.S. Environmental Protection Agency: "You helped make this annual event a great success! Wish we could have had more time... Thank you again!"

American University: "Loved your creativity and enthusiasm! Your fresh ideas set us off in a wonderful new direction. Already looking forward to the next time we meet!!"

Tidewater Community College, Women Changing the World Forum: "Your talk was superb; it opened up a lot of eyes here and gave a great boost to our new Green Earth Society. Thanks so much!"

The Biodiversity Project Conference: "Your lively after-dinner presentation woke up the crowd and got everyone buzzing. You made us think – and made sure we had fun doing it!"

Alaska Wilderness League: "Thanks as usual for a job well done. We can always count on you to make a clear presentation that will keep the audience interested and asking for more. "
